

Tom Lawson Flying High Program

We are proud to be able to extend the
Tom Lawson Flying High Program.

With the continuation of a generous grant from the
Miggsie Fund of the Lawson Foundation

The Jet Aircraft Museum will be able to carry on offering free access to our
One Day Grade 6 Education Program: Flight.

Selected schools in economically challenged areas of
Thames Valley District School Board and
London District Catholic School Board
will be offered free admission and free bussing to attend
The Tom Lawson Flying High Program.

The **Miggsie Fund** will support the attendance of approximately 10 classes
per year. For more information contact education@jetaircraftmuseum.ca

Col. Tom Lawson was a well-known businessman, entrepreneur, and philanthropist. He was a founding member of the Garrison Community Council and the Jet Aircraft Museum. He was passionate about aviation and operated his own flight training business, organized airshows, and flew his own plane. This program is fittingly named in his honour.
